

'Over 18' Video

We are pleased to announce that the video Over 18 will be offered in our Parish on Friday, April 5th, after Way of the Cross. This video relates to a growing problem in our society; that of pornography addiction. While it does not contain graphic content, it is targeted towards parents and grandparents, and is not meant for viewing by the under-18 age group. Watch the parish bulletin and check the bulletin board in the entrance to the church for more information; invite your friends and plan to attend.
